

An illustration of a road scene. A worker in a high-visibility vest stands on the grassy shoulder, pointing towards a road. On the road, there is a yellow pickup truck, a blue car with a damaged front end, and a large orange truck. Several orange traffic cones with reflective lights are placed around the vehicles. In the background, a red truck is visible. To the right, a blue stream flows through a green field with a deer and other animals nearby. The text 'Pour dépanner sans danger' is overlaid on the scene.
